UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

10 JUSTIN GAWRONSKI and A. BRUGUIER,  
11 individually and on behalf of all others similarly  
situated,

12 Plaintiffs,

13 v.

14 AMAZON.COM, INC., a Delaware corporation,  
15 and AMAZON DIGITAL SERVICES, INC., a  
Delaware corporation,

16 Defendants.

17 C09-1084-JCC

**18 ORDER OF DISMISSAL**

19  
20 This matter comes before the Court on the parties' stipulation of settlement and joint motion for  
21 dismissal. (Dkt. No. 15). For the reasons explained below, the Court hereby GRANTS the motion, and  
22 DISMISSES this action with prejudice.

23 This matter commenced on July 30, 2009, when Plaintiffs filed a class-action complaint.  
24 Plaintiffs never moved to certify a class, however, and this Court never issued an order certifying them  
25 as class representatives. Shortly after being served with the complaint, Defendant offered a settlement to

1 potential class members that Plaintiffs and their counsel concluded had made class certification an  
2 unlikely prospect. (Motion 3 (Dkt. No. 15)). Plaintiffs and Defendant therefore negotiated the agreement  
3 now before the Court. (*Id.*).

4 Finding good cause in the joint motion for dismissal and finding no term in the stipulation of  
5 settlement that purports to bind any party other than the named parties in this matter,

6 The Court hereby DISMISSES this case with prejudice.

7  
8  
9 DATED this 7th day of October, 2009.
